

A horizontal timeline is depicted with a solid black line. Three black circular markers are placed on this line. From each marker, a thin vertical line extends downwards to a circular node. Each node is a black circle with a thin white border, containing a white number. The numbers are '01', '02', and '03' from left to right. The background is split horizontally: the top half is black, and the bottom half is white. A solid black rectangle is located in the bottom right corner of the white area.
